If desired participants can be formally assessed and thus issued a nationally recognised Statement of Attainment from Certificate III or IV in Aged Care, Disability Work or Home and Community Care.

Prices are **competitive** and classes can be delivered at your facility or in our fully equipped training rooms in Nedlands.

About CAREALOT TRAINING COLLEGE

Carealot Training College is a Registered Training Organisation that maintains full compliance with all standards within the Australian Quality Training Framework (AQTF). We have been operating as an RTO since September 2003, out of premises on 47 Stirling Highway, Nedlands. We also have a College that operates out of the Nirimba Educational Precinct in Quakers Hill, NSW.

Graduates from Carealot Training College are well regarded by employers and are ambassadors in their workplaces. We have modern training rooms, including a fully equipped manual handling lab, and are easily accessible by public transport.
