

# Certificate III in Aged Care

## CHC30208

### Overview

This qualification provides students with the skills and knowledge to carry out activities to maintain personal care and/or other activities of living for people in an aged care setting. They will report directly to a supervisor and are not responsible for other workers.

If you have prior experience working in the Aged Care or community sector, you may be eligible for Recognition of Prior Learning (RPL). Please discuss this with a Carealot Education Training Consultant.

### Program Structure

#### Core Units

- ⇒ Support older people to maintain their independence
- ⇒ Work effectively with older people
- ⇒ Provide support to people living with dementia
- ⇒ Work effectively in the community sector
- ⇒ Provide support to meet personal care needs
- ⇒ Participate in the implementation of individualised plans
- ⇒ Support individual health and emotional well being
- ⇒ Follow safety procedures for direct care work
- ⇒ Deliver care services using a palliative approach
- ⇒ Recognise healthy body systems in a health care context

#### Electives

- ⇒ Communicate appropriately with clients and colleagues
- ⇒ Assist clients with medication
- ⇒ Supervise work
- ⇒ Work effectively with culturally diverse clients and coworkers

### Career Prospects
